

## TEMPLARS' PARADE

A Brilliant Success. 500 Knights With Waving Plumes and Martial Music Make Inspiring Pageant in Maysville Yesterday

Ten Bands, Red Fire, Genial Hospitality and General Hilarity Last Night's Scenic Features. Grand Ball This Evening at Masonic Temple

OPENING SERVICES.

Divine services were conducted yesterday at the First Baptist Church by the Rev. Edward Everett Smith of Owensboro acting for Grand Prelate, Lee D. Ray. Rev. Smith's sermon or lecture was a very eloquent oration and of deep interest to the Knights.

The address of welcome was made by Sir Knight, Frederick W. Harrop.

Past Grand Commander Sir Bernard G. Witt of Owensboro delivered an eloquent response.

### THE GRAND PARADE.

Maysville Commandery, led by Wabers Band of Cincinnati, in the van of the procession, made a showing fully sustaining the reputation of the Commandery as the successors of the honored Knights who took the Triennial Conclaves at Cleveland in 1878 and at Denver in 1884 by storm, and gave to Maysville's Templars the world-wide designation of "5-15-22."

The first figure "5" stands for the five Maysville Templars who made the pilgrimage to Denver in 1884. All of them have passed away, save Eminent Past Grand Commander, Sir Knight E. A. Robinson, who occupied a carriage yesterday in company with Hon. Warren Larue Thomas, ex-Maysvillian, once the highest dignity of the Order in the United States, and now a resident of Pittsburgh; ex-Governor Durbin, of Indiana, and B. G. Witt of Henderson.

The interpretation of the remaining mystic numbers—"15 and 22" is only known to the initiated and cannot with propriety, be given out for publication.

5-15-22 BADGE.

Following Maysville's handsome and genial Knights, in quick succession and military order, came the visiting Commanderies, each headed by a band and with K. T. standards borne aloft while the cheering and admiring populace packed the sidewalks and points of vantage along the route of the parade.

The parade announced to take place in the

morning was postponed on account of rain until 2:30 in the afternoon, and at the appointed hour the column formed as follows:

by an immense throng lining the streets over

which it passed.

At a meeting of the bar at Frankfort Judge Stout brought before the body a report that had come to him of the laxity of examinations for admissions to practice law. It had been reported to him that "almost any one could procure license to practice." Judge Stout admonished the bar to see that no one is admitted without having been duly qualified and learned in the law.

On the recent visit of Congressman Longworth and wife, the President's daughter, and their friends to Frankfort, The Journal of that city, noting the arrival of the party at the Capital Hotel, said—

"The chaffeurs hitched the machines at the sidewalk, where they were the playthings for some time of the crowd of small boys who gathered about. The youngsters found the side pockets of the cars and it is said made away with a large box of candy and sandwiches and other toothsome booty. At dinner the distinguished party lingered long over the dainties of the menu, and at the conclusion of the meal four bottles of Wiedemann beer and a whisky were ordered."

THE President vetoed thirteen acts of the Fifty-ninth Congress; four changing jurisdiction of Courts, three Indian bills, two private pension bills on account of beneficiaries' deaths, a third because beneficiary was merely a camp follower not entitled to the benefits; another which was to pay pension which was clearly excessive; one to give to a claimant an island in the Mississippi on which there is a lighthouse necessary for navigation, and a bill allowing dangerous explosives on passenger vessels.

ALTHOUGH Judge TAFT is a splendid type of man, yet it is not so much for TAFT as for what TAFT stands for. That is why the masses of the people outside of Ohio believe in him and trust that he will win out in the fight with JOSEPH BENSON FORAKER.

THE political situation in Ohio is chaotic and harmony is out of sight at the present time. The President has nothing to lose in his fight against FORAKER, and Judge TAFT, being above dirty politics, will sacrifice his ambition to shelve a Senator who has opposed nearly every popular measure introduced in the Senate and imagines that he is a law unto himself.

## No One Buys Drugs For Fun

No one sells them for amusement. It's a serious, important business on both sides. A drug store should have two missions: One, to furnish drugs that can be relied on; the other, to furnish them for what they are worth.

Drug stores exist for the public good. Knowledge, experience and progressive methods should mark their management. We endeavor to keep step with the progress of the age, to meet every requirement of the community, to conduct a store that shall stand for all that a drug store should.

We wish to serve those who want accurate service, high grade drugs and uniformly fair and courteous treatment.

## NOTES.

Ten bands and a drum corps in a parade in a city the size of Maysville does not occur often.

In 1906 he was elected Right Eminent Grand Commander, from which office he will retire today.

Mr. and Mrs. C. D. Pearce give a luncheon in honor of ex-Governor Durbin of Indiana at their beautiful West End residence this afternoon.

How provoking the weather was yesterday and how delightful today. Truly, the "weather man" is fickle, uncertain and a hypocrite and ought to be hired over again.

Of course it is natural for one to think his own boy the handsomest and best in the bunch, but there were some other mighty fine specimens of manhood in the parade as well as our own.

The visiting ladies and Knights Templar were the handsomest and best dressed body of people that were ever seen in Maysville. This was remarked upon all sides. The 60th annual convocation has been a most magnificent success from every view point. The thousands of guests partaking of our open hospitality, while Maysville Knights delivered the goods as typical Kentucky entertainers. The Templars' ball and banquet this evening will be the climax of the convocation.

Sir Knight and Mrs. Edward Horrocks of Ashland are among the welcome guests attending the Conclave.

One of the pleasing and taking features was the sacred concerts by the bands in Market street, while waiting the formation of the column; first one band would play a hymn and then another.

Right Eminent Commander Thomas A. Keith was born near Maysville, Mason county and was elected Eminent Commander in 1899 and the same year was elected Grand Sword Bearer of the Grand Commandery of Kentucky.

The visitors, at least the majority of them, are loud in their praise of Maysville. One member of the Owensboro delegation remarked to The Public Ledger that "Maysville had Owensboro skinned a block in beauty and enterprise." He said he was surprised at the looks of Maysville and her metropolitan appearance.

Maysville Commandery No. 10, Knights Templar will entertain with a boat ride on steamer Courier, for visiting Sir Knights and their ladies, Thursday afternoon. Boat will leave wharf promptly at 2 o'clock. The Committee in charge will be Sirs William N. Stockton, Lewis Apperson, P. G. Smoot, J. B. Durrett, H. B. Owens, William Trouts, Jr. and H. G. Scott.

The Templars are in session at Maysville, the G. A. R. at Louisville, the Red Men at Lexington and the Odd Fellows at Georgetown. Truly, it has been a busy week for these brotherhoods.

## FRIGHTFULLY BURNED

Colored Man Upsets Coal Oil Lamp and May Die From Accident.

Another fire victim may die as the result of horrible burns, accidentally self-inflicted, last night.

A well known colored citizen named "Capt." Henry Lightfoot, residing in Elizabeth street, in the Fifth Ward was probably fatally burned last night about 11 o'clock at his home.

A lighted coal oil lamp was upset from the table, and the oil fell upon the clothing of Lightfoot and upon the floor and he was instantly enveloped in a mass of flames.

Lightfoot ran into his back yard where he rolled upon the ground in his efforts to free himself from the torturing coils of the deadly flames encircling him. His wife and 18-year-old son came to his assistance as quickly as possible, and wrapped some bedclothes about him, finally extinguishing the fire, but not soon enough to relieve him as he is now in a precarious condition at his home and may die.

Dr. J. D. Davis has charge of the case and is doing all he can for the injured man.

## SHORT TALKS BY L. T. COOPER.

ALL WORN OUT.

This is the time of year for the "all worn out" feeling. You hear it everywhere. "I'm all worn out." Did you ever stop to think what it means? Well, it means just this; "my liver is dull and not working properly, my stomach is taking too much food, which it isn't digesting properly, I'm all clogged up from being indigestive."

Mr. Burger was "all worn out" once. "For some weeks I suffered from an affection of the stomach that seemed to wear me out completely. My system was run down, my bowels constipated, I had dull headaches and although I was not sick enough to go to bed I did not have ambition to stir around. I read of Cooper's New Discovery and began using it. I am glad to say that two bottles put me on my feet and relieved every symptom of my trouble. It is one of the best systems I have ever heard of."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Opened Saturday and Made a Good Showing—Over \$12,000 Deposits

The new Citizens Bank of Dover began business last Saturday under very favorable conditions.

The new financial institution occupies same quarters as the former Bank and has installed large, modern safety vault and handsome fixtures.

The deposits Saturday, the first day the Bank began business were over \$12,000; which is quite a good showing considering that Dover has 10 Banks to draw her money from her neighborhood, and other causes to retard the enterprise.

The Dover people should help their new Bank along and thus assist in boosting their town.

## Correspondence

SPRINGDALE.

Dr. Hill of Cottageville made a professional call here Sunday.

Sunday-school at Bethany is progressing with a large enrollment of pupils.

Mr. and Mrs. J. T. Goodwin visited relatives in Maysville Saturday and Sunday.

Mr. George Bevard left Monday for Cincinnati where he has accepted a good position.

Commander C. C. Degman will represent Croton Post at the State Encampment at Louisville this week.

Miss Leona Ryan returned to her home in Portsmouth Monday after a few weeks visit at the home of her uncle, Mr. E. Biggen.

Meers, Jenkins and Hook have taken the contract and are pushing the completion of the handsome cottage being built by Mr. Goodwin on Otto street.

Mrs. Francis McGregor of Reno, Nevada, after a lengthy visit among friends and relatives in New York, Oswego, Cleveland and Pittsburgh, is now the guest of Mr. and Mrs. Degman at Maplewood.

Mr. A. P. Gray, a student of Lexington Bible College was here Saturday. Sunday he went to Tolleboro to fill his regular appointment. He has also accepted a call to Sand Hill and will preach there once a month through the summer.

On Sunday night last at the meeting house there was a number of young men or boys ranging in age from 14 to 18, armed with several bottles of whiskey and were treating and urging boys still younger to drink. Several of these little fellows surprised their home folks by coming home decidedly drunk.

The artistic spirit is certainly abroad in our community this spring. On last Saturday afternoon a number of young people armed with hoes, spades and rakes and wisely directed by Mrs. G. W. Hook, made a beginning toward beautifying our schoolhouse yard. A number of hardy shrubs and several varieties of roses were set out. It was certainly a praiseworthy act and one for which these young people should have our grateful thanks. The schoolhouse sits on a beautiful natural terrace facing the North with lovely shade trees, a situation that lends itself readily to the ornamental. We are hoping to see Springdale's young people organize a "Beautiful America Club," and each member become a committee of one to see that our streets, highways and all waste spots are kept free from dilapidated material of any kind, from an old tin can to a fluttering scrap of paper. Let every citizen follow the example of Mr. Alton in his work on Riverview Park, and Mrs. Hook in her effort in the schoolhouse yard.

A local option fight is being inaugurated at Portsmouth.

Because he dismissed saloonkeepers charged with selling beer to a boy under twenty-one years of age, the Owensboro Law and Order League has adopted resolutions condemning City Judge Yewell Haskins.

Colonel John D. Potts, of Cincinnati, Assistant General Passenger Agent of the C. and O., has been appointed General Passenger Agent of the road, with headquarters at Richmond, Va. His successor will probably be Andrew Elliot, Traveling Passenger Agent. Mr. Potts steps into the position through the elevation of H. W. Fuller to the position of Passenger Traffic Manager, with headquarters in Washington, D. C.

A suit has been filed by the Commonwealth in the Fleming Circuit Court for \$5,000 against the Inter-National Harvester Company for violating the anti-trust law.

## MARRIED AT ASHLAND

Miss Annie Louise Condit Weds Mr. Oscar Henthorne

The marriage of Mr. Oscar Henthorne and Miss Annie Louise Condit was solemnized at high noon Tuesday at the bride's home at Ashland, the ceremony being said by the bride's father, the Reverend Dr. W. C. Condit, Pastor of the First Presbyterian Church, in that city.

A happy co-incidence lay in the fact that the day was also the fortieth wedding anniversary of Dr. and Mrs. Condit, and they received fully as many good wishes and congratulations as did the younger couple.

The bride, who is well known in this city, was gowned in white muslin, very dainty and becoming, which was changed soon after the ceremony for a traveling suit of blue, with hat en suite.

Mr. Henthorne is one of Ashland's most substantial young men, being for several years Assistant Cashier at the First National Bank.

Mr. and Mrs. Henthorne are now on a two weeks wedding trip, and on their return they will go to home-keeping in a cozy home at Ashland.

**WORKS WONDERS**

**A Wonderful Compound—Cures Piles,  
Eczema, Skin Itching, Skin Erup-  
tions, Cuts and Bruises.**

Doan's Ointment is the best skin treatment,  
and the cheapest, because so little is required  
to cure. It cures piles after years of tortur-  
ing. It cures obstinate cases of eczema. It cures  
all skin itching. It cures skin eruptions. It  
heals cuts, bruises, scratches and abrasions  
without leaving a scar. It cures permanently.  
Maysville testimony proves it.

Mrs. Kate Poth, living at the corner of Clark  
street and Forest avenue, Maysville, Ky., says:  
"I gave a statement about Doan's Ointment  
which was published in our Maysville papers.  
I said that I had received most decided benefit  
from the use of this remedy. For a long time  
I had an itching or eczema of the scalp. It  
broke out in spots and sometimes the spots  
would appear on my forehead and temples.  
The itching was particularly troublesome just  
before a rain, and was then so intense that I  
could not sleep at night. It required only a  
short use of Doan's Ointment to cure the  
trouble, and the cure has been lasting for the  
past five years. There has never been even an  
indication of a recurrence. A friend also had  
eczema and tried everything for it but never  
found anything to remove the annoyance. On  
my recommendation she used Doan's Ointment  
and was absolutely cured."

For sale by all dealers. Price 50 cents a box,  
Foster-Milburn Co., Buffalo, N. Y., sole agents  
for the United States.

Remember the name—Doan's—and take no  
other.
